TOOT, TOOT!

Dear *JUST 18*: Woo-whee, you got some fine tail on display in your magazine. I daresay that is it some of the finest I've ever laid eyes on. I'm talking aside from the tail I've had personally myself. Tail in the flesh will always trump a picture of tail no matter how fine the tail in the picture appears. But as far as tail in pictures goes, yours is as good as it gets. It all looks so fresh and so juicy. I guess what I'm saying is: good enough to eat! And what I wouldn't give to dine on some of that top notch teen poontang you keep showing me issue after issue. I pride myself on my pussy licking abilities. In fact, I've been told a time or two that "I rock," and that's a direct quote as in "I rocked that particular lady's world." Not to toot my own horn but if I'm not gonna toot it, it sure ain't gonna toot itself.—*Bart in MD*

Dear *J18*: One of the things I truly love best on a young lady is long hair. I especially like it when silky hair hangs down past her slender shoulders and whispers across her back. And there's nothing better than finding a lost piece of hair from the young lady I most recently banged tucked somewhere on my person. Once, after I had banged this redhead, I mean *really* banged her good, I found one single strand of her orangey silken hair wrapped around the head of my dick. It was such a sexy discovery I had to rub one out right then and there even though I was in the john at work. Please inform all the young ladies you got posing for you to put the scissors away and let their locks grow! Long hair makes dicks hard.—*Rudy in TX*

LONG HAIR MAKES A DICK HARD

Dear *J18*: One of the things I truly love best on a young lady is long hair. I especially like it when silky hair hangs down past her slender shoulders and whispers across her back. And there's nothing better than finding a lost piece of hair from the young lady I most recently banged tucked somewhere on my person. Once, after I had banged this redhead, I mean *really* banged her good, I found one single strand of her orangey silken hair wrapped around the head of my dick. It was such a sexy discovery I had to rub one out right then and there even though I was in the john at work. Please inform all the young ladies you got posing for you to put the scissors away and let their locks grow! Long hair makes dicks hard.—*Rudy in TX*

HOPING, PRAYING AND READING JUST 18

Dear *JUST 18*: I'm trying to convince my old lady the we need to have a three way—just her, myself and a hot young tart like you put on display in your mag. I started getting her to flip through *JUST 18* alongside me in an attempt to get her warmed up to the idea but although she likes touching her pussy while we look at the porn together, she still hasn't come around to us enjoying the attentions of a ripe 18-year-old tart live and in person. I like to describe what the teen slut would do to her and me as we look at the pictures of them spreading their tight pussies apart and showing off their fresh unspoilt assholes. She digs it to a certain point but I think she's ascaresd that she'll like it too much and then she'll need a teenaged hottie to get her off all the time. Still I keep hoping and praying and reading *JUST 18* with my missus and maybe one day my threeway dream will come true.—*Edmund in WA*

JERKING IT RAW

Dear *JUST 18*: Why don't you offer a contest wherein the winner is able to meet in person the lovely *J18* girl of his choosing? I would ask to meet either Sarah Jane or Rose, both of whom captured my fancy from the last issue I purchased. And by captured my fancy I mean inspired me to jerk myself raw until I was forced to put a salve on my over handled cock to soothe the irritated skin! I would prefer to meet Sarah Jane over Rose because I fear Rose is rather more of a slut and would smell like another man's stale jism while Sarah Jane would just smell like apple shampoo and possibilities. But strangely it's Rose's very sluttishness that draws me to her and makes me pitch a tent. Maybe I could meet them both? If I win the contest, that is. If you decide to have a contest. You really should, you know.—*Jeremy in MN*

DO YOUNG GALS ENJOY ASS SEX?

Dear *J18*: Do gals these days really enjoy ass sex? From the looks of things, in terms of the pictures I see in your magazine, it seems like most young gals enjoy ass sex. This is great, because there is nothing more in this whole wide world that I enjoy more than some really nasty ass sex. I love asses of all sizes and shapes, but I especially love the asses of young gals because they tend to be so pert and flawless. I eat ass like a champ. I can't help myself, I love the way asshole tastes, especially when it's been freshly scrubbed in the tub or shower. I love the way an asshole looks after it has just been fucked, all raw and stretched out, and every time I see one like that I wish I could shrink down tiny and crawl up inside and take a nice long nap. I am an AssManForEver.—*Len from FL*

A LEFT NUT

Dear *J18*: How do I get to change places with that Dupree fellow? I am an avid *JUST 18*, um, reader and I have noticed that young man in issue after issue, helping himself to the sweetest areas of the sweetest girls. Now *THAT* is the life, I tell myself, every time I see him helping himself to yet another gorgeous, supple girl. And I suppose he also gets paid to do this? Good God. I would give my left nut to be Dupree.—*Viktor in NE*

I recently met this stud at the gym named Thomas who invited me out on his boat. I agreed to go (what girl doesn't like a man in a boat??) under one condition—that he stay well away from my poop deck. (No anal for me till marriage!!) He was cool with that so off we sailed. As soon as we were away from land, Thomas was all over me. He peeled off my tank top and lapped at my booblets like he was trying to gulp down a milkshake. (They may be small but they're sensitive as hell!!) Then he dove straight for my pearl and gave me my first O (of many!!) I blew him stiff and hopped on for a ride. His cock fit real nice inside me so I clenched my vajay to pull him in deeper. (I can do amazing things with my pussy!!) The boat drifted gently over the waves as Thomas and I fucked in the sun like two crazed bunnies. And, as promised, Thomas didn't once try to pop into my back portal. What a perfect day!

My friend Betty was bitching and moaning that her boyfriend doesn't fuck her enough so she and I devised this plan to fool around in front of him just to see what he would do. We sat on the rug and made out, taking our shirts off and pinching each other's nipples hard. Then I pulled up Betty's skirt and began to tongue her clit. She got really into it and was bucking her hips against my face while I grabbed her thighs and trust my tongue inside her pussy then bam! Her BF was right next to me, spreading Betty's legs further apart and trying to get a few licks in. I got out of the way so he could have at it, but Betty pulled me back. Well the three of us wound up fucking that whole afternoon and Betty's had a happy little clam ever since. Hopefully she won't find out that me and her BF have started banging behind her back! 18

NUDITY OUR DESTINATION!

by Isabella Thorberkoff

33374

If you think it's easy being eighteen these days, I want to set you straight. We live in this crazy world and I swear sometimes I don't know what to do next. Here I am at college and everybody tells me I have all these options, but what do they know? Girls like me are put into a box even if it's an invisible one. We can't do whatever we like, even though it seems like we can. What if I just wanted to become a stripper and say "screw it" to college? My parents would go mental on me. What if I wanted to marry some guy and have his babies and fuck him and cook his dinners and let the whole world go to hell? I would be letting down all my third-wave feminist "sisters." And what if I wanted to major in English which, every time I go online, I see some article that says it's the worst major and I'm going to end up working as a barista for minimum wage? I tell you, we don't have the freedoms we're supposed to have. Girls are told to do this or do that or end up in a big pile of shit, with student loans to pay too.

I was thinking about all this one night when I went to the pub in the student union. At least I didn't have to have an "escort" like the young ladies did back in the 50s when they attended this college and wanted to go to the pub. I sat at a table by myself reading some poems and thinking I'm going to major in English and too bad if I'll have to pour coffee to make a living.

Marta was a friend of mine. I knew her a little from my course in the Romantic poets, and she stopped by my table. She was in the pub with her boyfriend but she could tell I was upset so she told him she'd see him later because she wanted to talk to me. Marta is a sophomore so she's got a little perspective on things and I poured out my troubles to her, my doubts and all.

"You take things too seriously, Isabella," she said, putting her hand on mine. "It looks like your brain has tentacles and they're coming out of your eyes and wrapping your body in all your neurosis."

I gave Marta the fisheye. "I got tentacles, what? You doing some kind of drug?"

She laughed. I laughed. It felt good to laugh.

"Figures of speech, Isabella," she said. "They're great to break the ice, take a person out of their bad state of mind."

"I just don't what to do with my life. I don't want to end up a beggar."

"You don't have to worry about that now."

"I envy my parents. When they went to college, liberal arts were the thing to do. Nobody worried about starting to save for retirement when they were eighteen."

"Your parents went to college in the Jurassic Age."

"Yeah, Marta, bell bottoms and Farrah Fawcett. My father showed me a picture of his dorm room. He went to school here, you know, and lived in Vollen Hall. He had a picture of Farrah Fawcett right over his bed."

"Corny. And didn't she die a couple of years ago?"

"Yeah. Dad was depressed."

"So, Isabella, moodiness runs in your family?"

"You could say that."

Because of the stupid modern drinking laws, at eighteen we can only drink soda in the college pub. Slurping up the rest of my root beer through the straw, I said to Marta, "Back when my dad went here, he could drink beer when he was a freshman! Boy how things suck now."

"There you go again with the mood. Anything I can do to change it?"

"Getting gay makes it go away."

"Is-a-bella!" Marta laughed.

"Well, you asked."

"I have a boyfriend. And I didn't know you like girls."

"What's not to like? Though I'm sure one day I'll end up strictly dicky. I'm such a fucking conformist. That's what's depressing

a little, the dorms weren't even coed! Now at Bateman Hall, where I lived, the students could pretty much come and go as they pleased, and it was totally coed. Marta lived in Vollin Hall, but she came across campus to my room. My roommate was out staying with HER boyfriend at Vollin Hall. Shit, sometimes we need GPS to keep track of each other...

"I like your room, Isabella."

"Why? The style is Early Desperation."

"Well, that's a nice chain."

"I bought it from an old lady in the town. Bargains from the townies." I came close to Marta. "I thought you were going to help me with my bad mood." I put my arms around her waist. "Any

me, Marta. I want to major in English, but I'm sure I'll end up doing some stupid business major, just to be 'safe'."

"Let's get back to the gay thing. I've thought about trying it..."

"Now you make me feel like a bad influence, Marta. What would your boyfriend say?"

"Oh sometimes when he's fucking me we imagine a girl joining in, licking my toes or kissing me or sucking my titties on..."

"You've sold me, Marta! Let's head back to the dorms! Ruff-ruff!!"

She laughed again. I liked her laugh. Maybe I would never end up strictly dickly after all...

My father told me it was much stricter in the dorms back in the 70s. Even though things were loosening up

regrets?"

"Be upbeat, Isabella."

"Gloom, gloom, full of doom." I kissed her. Her lips were so soft it was wonderful. I always thought Marta was especially pretty. No wonder her boyfriend had scooped her up their freshman year.

"I have a hard time living in the moment," I said, leading her over to the bed and tugging her down on top of me. "Make me forget everything, Marta. I don't want to think about my major on a Saturday night."

"Ooh, I kissed a girl," she said.

"You and Katy Perry?"

"I'd kiss Katy Perry."

"I think the line starts around the block."

We entwined ourselves around each other, like tentacles, maybe. It felt good rolling around on the bed in our clothes, because it's nice how the heat rises up from our bodies. Marta's nipples were so hard under her blouse, and I ran the palms of my hands over them through the fabric. I kissed her neck and then up along her cheek and then went back to her mouth again. We linked our fingers as I rolled on top of Marta.

"Are you scared of getting naked, Isabella?"

"No, why?"

"Dry humping is nice, but let's get more comfortable. If I'm going to kiss a girl, I want to kiss her while she's naked."

"Impatience will get you everywhere, Marta."

For fun, we undressed each other. I took off her blouse, she took off my pants. I took off her pants, she took off my top. And we kissed each other all along. Like a journey. All right, that's corny, but that's what it felt like. Nudity was our destination.

Oh, to be nude with Marta was nice.

We lay on the bed and kissed, and I did most of the stroking at first, running my hand over her slender body from her mouth to her tits to her belly button to her pussy. I slipped my finger into the groove and felt her gush. Being my naughty self, I lifted up that finger into my mouth and sucked off all the juice. She watched me with wide eyes, and then borrowed the finger I had been sucking.

"I do taste good, don't I?"

"I think you'd know by now, Marta."

"I do, but it's always nice to hear it from somebody else."

"Doesn't your boyfriend tell you?"

"I'm asking you."

"You taste....wunnnnnnderful!" And I clamped my mouth on hers and slid my tongue deep inside. She sucked my tongue as my knee came up and ground against her pussy. She gushed even more. I moved my knee slowly while we kept kissing, then I moved my face back to look at her.

"What do I look like?" said Marta.

"Wunnnnnnderful."

"Are you going to make me cum on your knee? Is that a bi-girl thing?"

"It's an Isabella thing. My fetish."

"Because I'm close, and getting closer, if you keep doing that..."

"Cum for me on my knee."

"Only if you promise to lick me later too."

"Of course, Marta! You think I'm letting you out of here before I do that??" And we both laughed.

We lay next to each other and kissed and I kept rubbing, rubbing, rubbing her crotch with my knee. I moved my hand across her breasts. I couldn't remember any of my problems for once.

"I'm gonna-gonna—" Marta gasped. She clutched my arm. "I didn't think it would be so fast—"

"We've got plenty of time. Just let it go, girl."

"I thought I was supposed to be the one comforting you!"

"You are, darling, you are." I didn't know where the "darling" came from, but it sounded good and she looked pleased to hear me say it.

A moment later she started cumming on my knee. It was so messy down there. She came for a long time, and when she was done, she pulled the pillow over her face, which I thought was cute.

My mood was a lot better now.

Marta moved the pillow away. One look at her face and I wondered if I could ever end up strictly dickly after seeing something as lovely as that. Her hair was wet against the side of her head. She ran her hand over my face and kissed me, then scooted down and began to suck on my boobs.

"Now it's my turn to pleasure you," she said. Her fingers went into my pussy too.

"Don't worry, you'll get in plenty of practice," I said.

"I'm glad we hooked up tonight," she said. "Glad I could help you."

Help me? She only gave me another problem, this naughty Marta! Now I not only had to decide what I'd major in, but if I'd be a major cunt and try to steal her from her boyfriend!!

But who said life wasn't going to be problems?

HARLEY

So I used to wear contacts all the time but then I got lazy. As it turns out, dudes dig my specs. Seriously, I get hit on constantly when I wear them. Which is great because I like to fuck. Not that I'll drop trou for just anyone—but if I think a dude is hot and he smells okay then I'm usually game to go all the way. They all ask me to leave my glasses on while we hump and that's cool because then I can see what's going on and it makes my orgasms that much better. I like to really stare at a dude's cock as it slides in and out of my cunny and think to myself "he's inside of me, he's fucking ME" and meanwhile it feels so good and the next thing I know I'm cumming. That may sound a little weird but it's what gets me off. 🍆

Both TINA and LAURA have all their lovable soft-features built right in. Even their hands are not detachable. All their sexual organs have been designed to be a smooth continuous flow of their soft, well rounded bodies that feel so real, you'll wonder how this was ever accomplished. Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about 1/2 of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

WORLD CUP TEENS

The girls on my soccer team are all super rad, we call ourselves the Kickin' Cuties! We're so stoked for the World Cup this year that we decided to make a crazy group pact. To show support for our fave teams, none of us are going to have sex with boys for an entire month until the Cup is over. The very best part of our pact is that we promise to satisfy each others' naughty needs so we'll be less tempted to cheat and spread our legs for a guy before the final World Cup match. So far it's been great but our practices are getting more and more hectic. We're all so crazy horny from the lack of dick that someone always winds up flashing her boobs or exposes her bum on the field. Then in the lockerroom afterwards it turns into one giant lick fest, everyone chasing down an orgasm as if it were the winning goal. I love my fellow Cuties so much! I'm not saying I'm lez or anything, but I think I could stay on this team forever.

Bianca & Dennis

27974

I'm a chilled out, no drama kinda girl. When I'm horny I like to hook up but I don't think I should have to be anybody's girlfriend just to get laid. So I set up this great sex-only, no-strings-attached arrangement with my hunky neighbor, Dennis. He rolls by my place every afternoon to give me a couple of killer orgasms then disappears so I can go about my day—easy peasy. The very first time he tried to pop a digit in my dumper I didn't swat his hand away because I like to go with the flow. And now guess what? I beg him to play with my butt every time! I discovered that I cum like a madwoman when my patootie is tickled from the inside. I'll take a finger, a toy, a cock—I don't care! Just as long as it's planted deep in my rosebud, I am the happiest girl in the world.

Rub-a-dub-dub, we're two hotties in a tub! My fave way to end the day is by gettin' all sudsy and wet with my sexy bestie Lindy. Splashing around in a warm bath is such a turn on for me—as soon as my butt hits the water my nipples get so hard. Lindy really likes to soap up my titties then nibble all the bubbles off. She knows exactly what to do to make me moan and I love her like crazy. She's got an adorbs little bod with creamy smooth skin and long dark hair that makes her look like a Disney princess. She keeps her cooter shaved bare and her pussy lips are so soft and yummy that once I start kissing them I swear I could go on forever. We can make each other cum like a billion times until our skin gets all pruneey and we gotta hop out and towel off.

The only thing my boyfriend Ralph wanted for his birthday was a threesome with me and another chick. I'm not into pussy, but I rose to the occasion for Ralph's sake and chowed box in front of him like a pro vegetarian. So on MY special day I demanded a threesome of my own, only with his buddy Nick as the third. The two of them balled my brains out that night, coating my body with tons of hot, sticky presents. After that I was hooked on having two cocks at once, so Ralph, Nick and I have made it a regular thing. Nothing feels more incredible than having Ralph down my throat and Nick up my snatch, or Ralph up my snatch and Nick down my throat—hell, I don't really care who is where as long as I am stuffed full of man meat from all sides. I bet Ralph never suspected I'd turn out to be such a slut. Surprise!

DENISE & DUPREE

My guy Dupree gets the most incredible boners in the morning. I usually can't stop myself from caressing it even though I really should just let him sleep. But a hard cock is a terrible thing to waste IMHO, and his is oh so beautiful! He never seems to mind me waking him up for a fuck, but whenever I do he fucks me up the ass. I suppose that's his way of getting back at me for disrupting his ZZZs. The thing is though, I love it. Having my butthole stuffed full of morning wood is my absolute favorite way to get off. Dupree can last forever so some days I cum like three or four times before he's ready to shoot his wad. He always spooges directly into my mouth so he can watch my face while I taste him—he thinks I look sexy when I swallow. My Dupree is just so dreamy!
